

# Motorola E398

Delivers great performance

Call Australia Mobile

With Bluetooth™ capability, the Motorola E398 makes transferring files to and from your phone easy, as well as allowing you to send emails and synchronise to most PCs. An integrated camera makes taking pictures a breeze, letting you then send them via MMS as visual aids. And, as if that wasn't enough, a hands-free speaker makes multi-tasking simple. So you're free to perform at your best.
