

# Nokia 3200

One of a kind

Call Australia Mobile

## Features.

The Nokia 3200 ensures you're always ready for business. GPRS 'always on' connectivity allows easy access to the Internet, while PC suite is ideal for local synchronisation of data. You can take pictures for visual aids with the integrated digital camera and send them via MMS. There's even voice recording capabilities for you to record your own memos. And, if you need to unwind from the stress of the business day, simply listen to your favourite songs on the built-in radio. No wonder the Nokia 3200 is one of a kind.
