

Nokia 5100

Designed to last

Call Australia Mobile

Features.

The Nokia 5100 has everything you need to survive the business world. GPRS 'always on' connectivity ensures you'll never have any trouble travelling the Net, while tri-band technology lets you travel the globe without ever being out of reach. It also features concentrated SMS, which allows you to send and receive up to three messages per single message, and MMS for sending visual aids. And, to ensure it's always there when you need it, it has a tough exterior to protect against water splashes, dirt and scratches. Now that's tough to beat.
