

Nokia 7610

Richer messaging experience

Call Australia Mobile

Features.

The Nokia 7610 makes messaging easy, allowing you to check, write and send emails wherever you are. You'll also enjoy the synchronisation of contacts and calendar to PC using PC Suite and remote over-the-air synchronisation with Sync ML. There's also an 8MB internal dynamic memory for contacts, calendar notes, to do list and applications to help you stay organised. And, thanks to tri-band GSM, you'll even be contactable when overseas. The message – the Nokia 7610 makes business easy.
